

LOAD TABLES FOREST MOTORIZED TRACK

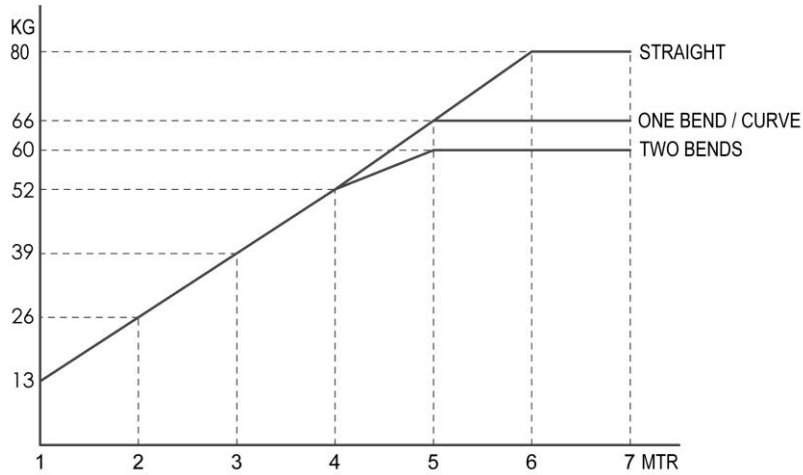

FMS 30 Watt

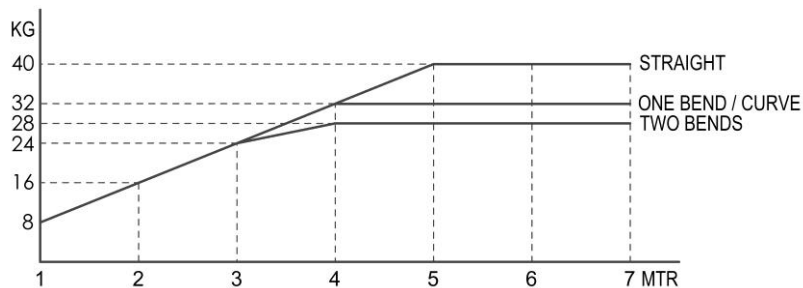

FMS 45 Watt Shuttle M

FMS 60 Watt

Shuttle S - L

Note: The drapery weights in these diagrams are only a guideline. Nothing can be claimed regarding these diagrams. Forest Drapery Hardware advises strongly to use only Forest parts and use Forest lubricant. The maximum drapery weight will decrease when track are longer than 7 meters. For additional information call 866-823-3894.
