OPERATION

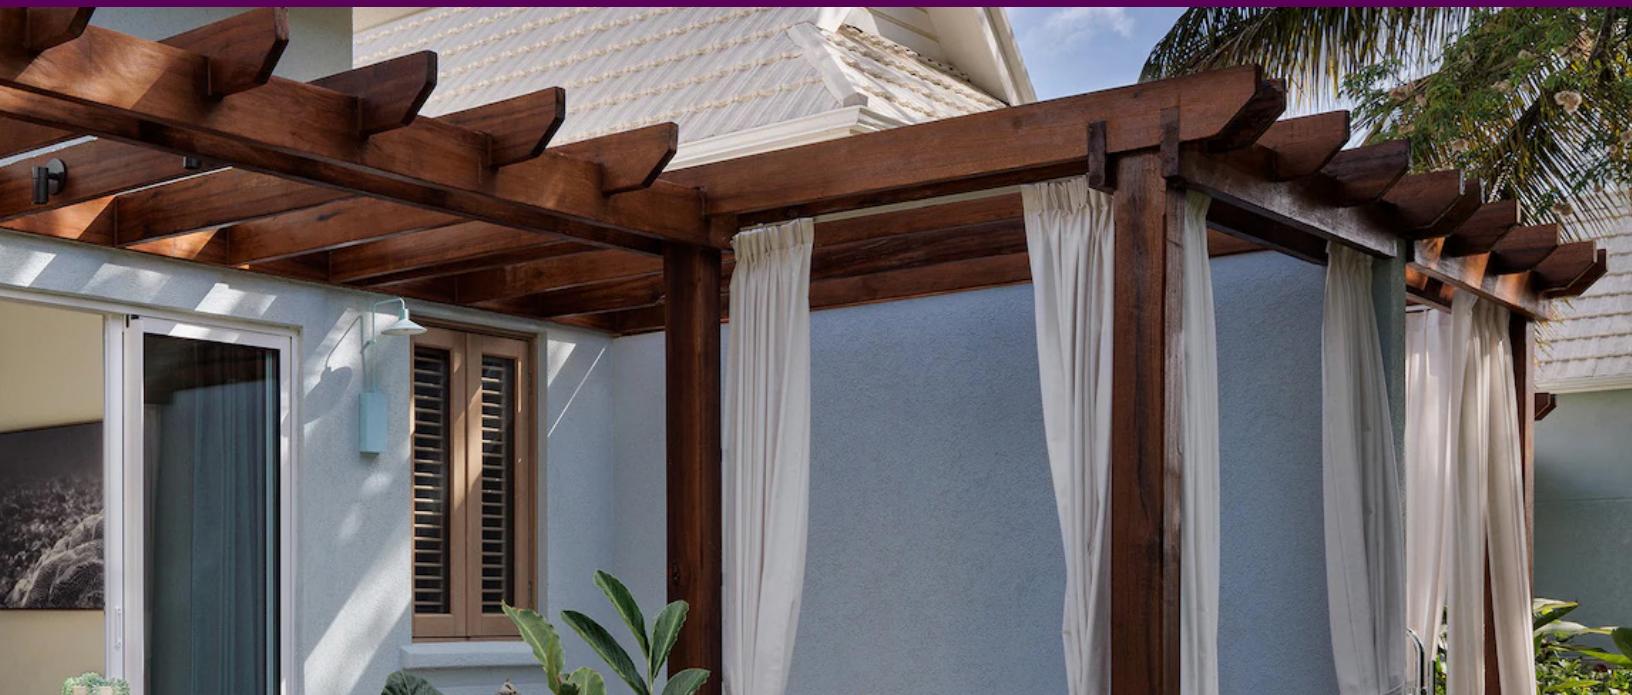

The Tavira Outdoor Collection is built from weather-proof steel and finished with a durable powder coating, delivering lasting strength and smooth, dependable performance in every climate.

TAVIRA OUTDOOR TRAVERSING SYSTEM

THE WORLD  
BEHIND  
YOUR  
DRAPERIES

# TAVIRA OUTDOOR

## TAVIRA TRAVERSING

- 1 1/8" outdoor designer traversing system for one- or two-way pinch pleat or ripplefold drapery. The EasyFlex system is recommended for ripplefold drapery.
- Wall or ceiling mount. Maximum length is 19' and this system cannot be spliced.
- Maximum weight is 4 lbs per foot depending on application.

### ASSEMBLED SYSTEM

Includes rail, end cap finial, carriers, end stop, masters, and wall or ceiling brackets. Indicate pinch pleat or ripplefold when ordering.

## BATONS – DECORATIVE METAL

Forest specializes in the development, production and supply of highly innovative drapery tracks and window coverings. We offer track solutions catering to the hospitality industry. Whether you choose our motorized tracks or rods, shades or hand drawn rods your client will experience comfortable luxury and optimal ease of use.

## THE WORLD BEHIND YOUR DRAPERIES

More than thirty years ago it started with a flexible aluminum system, known as the Forest KS® system. The product line was expanded at a rapid pace, always focusing on functionality and quality. The technologies conquered the world. Hotels across the globe are satisfied users of Forest systems including iconic hotels like the Venetian, Hardrock and the mega hotels in Dubai.

Forest Group B.V. sells its products in more than 100 countries worldwide and has sales offices in The Netherlands, the United States, China, United Arab Emirates, United Kingdom and Poland, ensuring global availability.

**Some well-known and recognized features of the Forest track systems are:**

- **High-quality standards:** We guarantee a long lifespan.
- **Comfort and quiet:** Drapes open and close silently, creating a serene and comfortable environment.
- **Adds style to windows:** Always perfectly hanging drapery thanks to our systems, including motorized solutions.
- **Smart integration:** Controllable via app, voice, and home automation systems for ultimate convenience.
- **Sustainability:** We use a minimum of 75% recycled aluminum in our tracks.
- **Unique warranty:** 10-year warranty.
