

PORTO IRON

MANUAL
OPERATION

The Porto Iron Collection adds architectural presence. It can read as refined, rustic, or minimalist depending on its silhouette and finish. It's known for its strength, durability, and distinctive decorative appeal.

Forest specializes in the development, production and supply of highly innovative drapery tracks and window coverings.

More than thirty years ago it started with a flexible aluminum system, known as the Forest KS® system. The product line was expanded at a rapid pace, always focusing on functionality and quality. The technologies conquered the world. Hotels across the globe are satisfied users of Forest systems including iconic hotels like the Venetian, Hardrock and the mega hotels in Dubai. Whether you choose our motorized tracks or rods, shades or hand drawn rods you will experience comfortable luxury and optimal ease of use.

THE WORLD BEHIND YOUR DRAPERIES

Forest Group B.V. sells its products in more than 100 countries worldwide and has sales offices in The Netherlands, the United States, China, United Arab Emirates, United Kingdom and Poland, ensuring global availability.

Some well-known and recognized features of the Forest track systems are:

- **High-quality standards:** We guarantee a long lifespan.
- **Comfort and quiet:** Drapes open and close silently, creating a serene and comfortable environment.
- **Adds style to windows:** Always perfectly hanging drapery thanks to our systems, including motorized solutions.
- **Smart integration:** Controllable via app, voice, and home automation systems for ultimate convenience.
- **Sustainability:** We use a minimum of 75% recycled aluminum in our tracks.
- **Unique warranty:** 10-year warranty.
