OUR WIDE VARIETY OF CONTROL OPTIONS

make finding a fit for your windows easy – controlling your roman shades by remote, wall switch, voice, app or even by home automation system.

EASYTOUCH CONTROLS
We have designed a new line of controls with a modern look and feel. Range of controls is up to 98´.

- The EasyTouch remote controls up to 6 systems, with the option to deactivate unused channels.
- EasyTouch wall switch is a sleek 2-channel option for your wall.

VOICE & APP CONTROL
Use Forest Link technology (WiFi) or the Bond Bridge Pro (RF) to integrate your window treatments into the Forest Connect App, Google Home, Alexa, and Siri, as well as automation systems like Crestron, Control 4, Elan, and more.

SIDEKICK REMOTE
5- or 1-channel remote control. Pairs directly with tubular motor. Use with Bond Bridge Pro or without. Estimated 10-year battery life.

Forest specializes in the development, production and supply of highly innovative drapery tracks and window coverings. We offer track solutions catering to the hospitality industry. Whether you choose our motorized tracks or rods, shades or hand drawn rods your client will experience comfortable luxury and optimal ease of use.

THE WORLD BEHIND YOUR DRAPERIES

More than thirty years ago it started with a flexible aluminum system, known as the Forest KS® system. The product line was expanded at a rapid pace, always focusing on functionality and quality. The technologies conquered the world. Hotels across the globe are satisfied users of Forest systems including iconic hotels like the Venetian, Hardrock and the mega hotels in Dubai.

Forest Group B.V. sells its products in more than 100 countries worldwide and has sales offices in The Netherlands, the United States, China, United Arab Emirates, United Kingdom and Poland, ensuring global availability.

Some well-known and recognized features of the Forest track systems are:

- **High-quality standards:** We guarantee a long lifespan.
- **Comfort and quiet:** Drapes open and close silently, creating a serene and comfortable environment.
- **Adds style to windows:** Always perfectly hanging drapery thanks to our systems, including motorized solutions.
- **Smart integration:** Controllable via app, voice, and home automation systems for ultimate convenience.
- **Sustainability:** We use a minimum of 75% recycled aluminum in our tracks.
- **Unique warranty:** 10-year warranty.
